## MAP YOUR FUTURE

RECONNECT WITH EDUCATION TO  
DEVELOP EMPLOYMENT STRATEGIES  
WHICH WILL HELP YOU TO SUCCEED.

Do you know what courses and pathways are available for you?

How do you choose the right course for you?

Do you find applying for courses or jobs difficult to negotiate?

Do you know what support services are available to you?

Do you want to learn how to use services more effectively?

Come along to a **MAP YOUR FUTURE** session and work through all these questions and more.

These sessions are aimed at young people who have left school and who are having difficulty getting into the workforce.
